# HCSA EIS Supplier Sustainable Development Award

This award recognises initiatives that have been developed to minimize supplier impact on the environment.

The submission should demonstrate evidence of excellence in the delivery of sustainability/social value.

This may include some or all the following:

- Demonstrates the impact of sustainability/social value or both in improving outcomes
- Champions the sustainable/social value environmental benefits to the organisations it works with
- Demonstrates commitment to improving sustainability/social value or both by innovative methods/continuous improvement programme
- Delivery of significant improvements in reduction in the carbon footprint of its organisation
- Demonstrates how sustainability/social value objectives and benefits are measured

The Supplier must be able to demonstrate it is delivering services within the region the nomination is being submitted.

The nomination must be proposed and or/supported by a member of the Healthcare Supplies Association.
